Loud and Soft Sounds All Around

Instructions: Cut out the picture squares, and think about the sounds that each of the objects makes. Which ones make loud sounds? Which make soft sounds? Find the picture that makes the softest sound. Glue it on the handout where it says “soft.” Glue the next loudest sound next to it, and keep gluing pictures of things that make louder and louder sounds until you glue the picture of the loudest-sounding object next to the word “loud.”
