## Water Bottle Label Without Safety Rules

Instructions: Write one safety rule you need to remember at the pool and illustrate it on the blank area on the label below.

A large rectangular label template with a dashed border. At the top, there is a black header bar with the text "Safety is Cool at the Pool!" in white. Below the header bar are two wavy lines representing water. The rest of the label is a large blank white area for writing and drawing. A pair of scissors icon is positioned at the top right corner of the dashed border, indicating where to cut.
